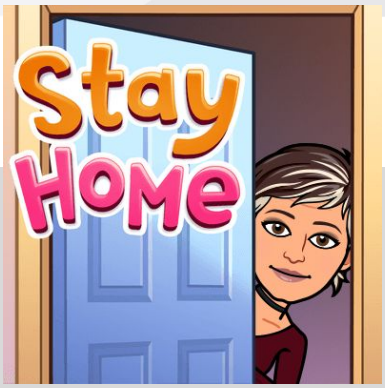
Deanwell SCHOOL

Friday 27th August

We are still in Alert Level 4



Once we hear the update on Friday 27th August we will decide the best way forward for our Deanwell people.

We will communicate with you all via the newsletter.

Deanwell Whānau Food Boxes

One of our employees (our amazing Roberta) decided to seek the support of her large bubble to create food boxes to help cheer our people up during lockdown

"Nā tō rourou, nā taku rourou, ka ora ai te iwi.

With your food basket, and my food basket, the people will thrive.

Awhi mai, Awhi atu

We would like to acknowledge and thank all the people who have so kindly donated food and money to help set up these food boxes.

Hard Home Learning Packs

We currently have 353 students on our Deanwell School roll.

We had 248 hard home learning packs safely collected from school on Wednesday 25th August. That is 70% of our tamariki who would have received a pack.

What an awesome outcome and display of a school community truly working together for the good of all our people.

Since then we have had another 20 hard home learning packs safely delivered to the mailbox of our whānau.

This means that 76% of our tamariki have received hard home learning packs while in Alert Level 4.
