Kia Ora Koutou

I sincerely hope that you are all well in isolation.

Our Prime Minister has adjusted our holiday dates bringing them forward to ensure the least amount of interruption to our education time as possible.

Key Date Reminders

26 March	Alert Level 4 commenced
28 March	School holidays begin
10 – 14 April	Easter including the Tuesday after Easter
15 April	Term 2 begins (through distance learning)
22 April	Current date for ending of lockdown period <i>(Remember this may change)</i>
27 April	ANZAC Day observed

In this time you may be experiencing new emotions please remember that our beautiful children may also be a little 'OUT OF SORTS'. Let's work together to support the mental well being of each other. If home learning is going well for you, that is awesome. If it is not going well, then don't stress. Your child/children's academic ability will be fine. When we all get back to school our talented teachers will quickly reassess where each child is learning and get them back on track.

The priority is to stay well together at home, stay brave and kind, love each other and spread calm digitally.
