Kia Ora e te Whānau

Welcome back to Term 2.

Our teachers and support staff are all back, working from their homes. We have completed a zoom hui this morning discussing and outlining our mahi going forward.

You, our Whānau and Tamariki are so important to us. We want to learn and work alongside you.

Our staff are going to be contacting all our Whānau, by phone over the next week.

**The purpose of this phone call is to 'check in and connect' with you.
Are you and our tamariki OK?**

Staff phoning will appear as Caller ID or a Blocked Number. We ask that you please answer their call. We really want to hear how you are doing.

If your phone number, physical or email address has changed please contact us on office@deanwell.school.nz

We know the struggle is real, please let us support you.

Ngā Mihi

Pam
