## Writing

Write an amazing story using one of the pictures below.  
You could create an incredible adventure for you and your friends.

Write about your favourite soft toy. Describe what it looks like, where it lives, and what makes it so special.

Describe someone in your home. Look at their features, what colour eyes, what their hair is like, things you like to do with them. Share your writing with them.

Have you noticed the trees changing colour outside? Talk to someone about the season Autumn. Can you collect some leaves and write some describing words around what the leaves look like?
