

We are incredibly proud of our whānau

Dr Melinda Webber talks about the importance of exposing our tamariki to positive role models. This is because our tamariki copy the behaviours and characteristics of those they look up to.

We have seen a huge shift in positive behaviour of tamariki since returning from lockdown.

Your courage, resilience and continued kindness is being noticed at school. The aroha I witness each morning as you drop your child/children off at school is so beautiful to see.

Thank you for being the positive role models our tamariki deserve.

These next couple of weeks will be nice for everyone to stop, rest and take stock of the truly incredible journey we have all been on. Addressing COVID-19 has taken a toll on many of our whānau and we know the struggle has been real. **Kia Kaha**

I am asking my staff to rest the first week of the holidays and spend quality time with their families. The second week we will be working diligently to ensure that we are providing the best education possible for our tamariki.

Thank you to our whānau for helping us collect in all the internet information. Please be extra patient and careful after school on wet days. We know you are 100% with us in ensuring the safety and education of all our tamariki.

Kia manawanui, kia manaaki, kia haumarui!

Pam Quirke
Proud Principal of Deanwell School
