Our very own, nine-year-old Yvonne Stone won the opportunity to meet Magic captain Sam Winders and Steel captain Te Huinga Selby-Rickit through the ANZ Future Captains competition. Yvonne was able to take along a friend, eight-year-old Nika Bahadori, for the exciting interactive experience.

Yvonne and Nika led the captains and teams out onto the court in front of the whole stadium and have their photo taken with the captains. They then sat down on a private bench on the court right next to the players to watch the game.

Mahuru Māori

## What is Mahuru Māori?

It is an initiative to get speakers of te reo Māori  
to speak Māori,  
so our language is spoken,  
is heard, and is kept alive!

Kylie Te Arihi

### Who is Mahuru Māori for?

It's for active speakers of te reo Māori from fluent to those who have a good grasp of it, to those who are learning - doesn't matter where your reo level is at, anyone can give it a go - karawhiua!

### How do you participate?

You speak Māori, all the time, everywhere and to everyone. This includes texting, writing, emailing, social media - any form of communication for either:

- kotahi te rā ia wiki o te marama - one full day a week for the month
- kotahi wiki o te marama - one week of the month
- te roanga atu o Mahuru - the whole month of September.

Kylie Te Arihi is aiming to kōrero Māori for the whole month in support of our beautiful language and the kaupapa!

We are 100% supporting Kylie, even though we know that we are all going to be a little challenged. Kylie asks that we please bear with her, but don't avoid her, lol!

This means that all Kylie's txt's, emails, conversations etc... will be in Māori! You are more than welcome to converse with Kylie in Māori or English. Kylie welcomes your feedback leading up to and during September to support understanding, preparation and any perceived barriers etc. Highlights and successes will be totally welcome too!

Nō reira, kōrero Māori, ā, kia pārekareka - kōrero Māori and have fun!

Ko te reo kia tika (high quality)  
Ko te reo kia rere (frequency and eloquence)  
Ko te reo kia Māori (promote a Māori world view)  
Ko te reo kia ora (normalisation of the Māori language)

Kylie wishes to thank you all in advance for your support and encourages you to join her :)
