

## GENTLE REMINDER

School Gate opens at 8.30am

School starts at 8.45am

To gain optimum learning for our tamariki we want everyone at school by **8.45am** ready for learning.

### MORNING TIMELINE

- **8.00 - 8.30am** teachers preparing for the day, collecting resources and attending meetings
- **8.30am** teachers and tamariki are in classrooms chatting and catching up with each other. This time is crucial for teachers to continue developing and maintaining high trust relationships with our tamariki
- **8.45am** teachers start teaching and tamariki start learning

The mornings are not the best time to have those in depth conversations with the teachers as they are fully focused on our tamariki and their learning. If whānau want to have a quality conversation with the classroom teacher it is best to email the teacher and the teacher will organise a time where they can be 100% present for you. All email addresses are on our Deanwell website.

## Sausage Sizzle

**When:** Friday 18th September,

**Time:** Lunchtime

**Where:** At Deanwell School

**Price:** FREE

**Why:** Because we really want to treat our tamariki. This year we have all had many challenging moments. Yet, our tamariki have been coming to school with great attitudes, smiles on their faces and an eagerness to learn. We are so proud of them!

We will have beef and vegetarian sausages, wrapped in bread with some tomato sauce.

There will only be enough for one sausage each so please ensure your child/children bring some morning tea and some extra lunch to fill them up.

Your child/children's attendance at school is really important. Remember this term we expect all students to be attending school every day. If this is difficult for you, please let us know and we will work with you to find a solution together.

Kia manawanui, kia manaaki, kia haumaruru!
