

Student Led Conferences NEXT WEEK!

Wednesday 2 December- 3.30 - 7.30pm
Thursday 3 December- 3.30 - 5.30pm

Last week, our online bookings opened and a notice was sent home. You and your child have been invited to attend a Student-Led Conference with your child's teacher.

This is an opportunity for your child to celebrate their learning, set goals, talk about where they are at in their learning, and discuss next steps in their learning with you (their parent/caregiver), and their teacher.

Important:

We would like you to book a preferred Student-Led Conference time slot by booking online at ...

www.schoolinterviews.co.nz - enter event code 'qvy4g'

OR

fill in the return slip on the notice that came home,
(one reply per family).

You will receive confirmation of your time.

All Student-Led Conferences are allocated approximately 20 minutes duration on the booking schedule, although there is no set end time to your conference with your child. There will be no bells so that time with your child and their teacher is not interrupted. It would be helpful for organisation purposes if you and your child arrive promptly to your first family conference of the afternoon/evening.

BICYCLES AND SCOOTERS

Bringing bicycles and scooters to school:

At times, after school hours, student property (scooters, shoes, hats etc) are left outside and we are not able to locate them.

We strongly encourage students to...

- Bike and scooter to school
- Lock up their bikes and scooters on the rack inside school grounds
- Take their bike helmet with them to their classroom and hang it beside their bag
- Remember to take all their belongings including their scooter home at the end of each day
- Name all their belongings
- Remember not to bring expensive or special items to school

Please note the school cannot take responsibility for personal items that may go missing or are damaged.

Our (cancelled) trip to Dominion Park

Tēnā koutou e te whānau,

We were very sad when our trip to Dominion Park was cancelled because it was supposed to rain - and then it didn't rain!!

So instead of going on our trip, we had a fun day at school together!

We had pizza and popcorn - Yum!!!

Joanna and her whānau very kindly made us a huge chocolate cake and rice bubble slice for us to share.

Ngā mihi nui.

Kārearea Our trip to Te Awamutu Pools

Tēnā koutou e te whānau,
Recently, Kārearea Ohu went on an awesome trip to the Te Awamutu Pools. We had fun in the different pools, zooming down the hydroslide and on the amazing playground. We enjoyed a delicious sausage sizzle with our lunch. Our students used their Hāpaitia te MANA values and we had wonderful support from whānau and other helpers. A big thank you to all.

Our trip to the Museum and Waikato River Explorer

This term we were learning about Scientific Minds with a focus on the Waka.

So we planned a day trip to the Hamilton Museum where we explored science and went for a cruise on the Waikato River Explorer.

The teachers from Tui would like to give a big shout out to all our whanau who gave up their time to give us a hand, we could not have gone on the trip without your amazing support!
