# COMMENCING TERM 1 2021 TUESDAY 9TH FEBRUARY

- We are working with Bite LAB to supply a lunch for EVERY child each day
- Please remember they are working with lots of other schools supplying lunches based on a standard menu
- If your child has an individual dietary requirement, ie. Gluten Free, Dairy Free or Vegetarian (due to either medical or cultural reasons) please contact us on [office@deanwell.school.nz](mailto:office@deanwell.school.nz) to advise asap
- This is a new initiative and as with everything new, we will continue to work with Bite LAB as lunches roll out next year to address any issues as we go. Please consider this and be patient and kind :)
- There will be more information as we go forward, learning as we go.... Please follow us on Facebook if you can for further announcements
- Nutrition & Healthy Eating - Children's tastes vary and it can be challenging to provide healthy food they want and enjoy. Bite LAB are working with The Ministry of Education to provide lunches which draw from observations of schools already being provided and the nutrition science behind childhood and fussy eating
