# Swimming Sports - What a great day!

Ngā Mihi to leanne Doull and Shadonae Sluys-Tamanui for organising this event.

## Deanwell School Swimming Sports

Last week we had swimming sports. We had all kinds of stuff for it like awesome chants that we used to cheer our ohu on, when they were swimming. A lot of people participated in the swimming which was a lot of fun.

Everyone had a lot of fun doing the activities after swimming. There was a spilly billy race, slip and slide, and a water bucket with water and soap. When we are being our best, one of the teachers will pick us to pick out a spot prize. The spot prizes were stuff like bubbles, putty and drink bottles. The races included freestyle, breaststroke and relays. If we participated and if we were listening and helping another kid, we got a point for our ohu also if we came first, second and third we would get an extra point. Overall the experience was really cool and everyone had an exciting time. I know next year's one will be even cooler.

**If you would like to know the Kārearea chant? This is it ...**

**We've got Wairua, āe we do.**

## Health & Safety

### Please use the KEA CROSSING

I ask that all our people use the KEA CROSSING even if it is not being patrolled.

We all need to be modelling this behaviour to our tamariki to ensure they keep safe when crossing the road

**Please use the  
KISS & DROP / PICK UP zone  
Between  
8.15 - 9.00am / 2.50 - 3.15pm**

This zone is a place where you can drop your child/children off quickly and safely.

It is intended that people do not park in this zone.

We want to keep the traffic flowing
