PROPERTY PROJECT - THE HALL (Commencing Monday 28th June)

What is happening?

The hall roof is leaking and needs repairing

This is STAGE #1 - They are going to put up fencing and then scaffolding to wrap the roof of the hall

WHY is this happening?

Because the current roof design is poor (flat) and is allowing water to seep in

Commencement date?

Monday 28th June, 2021

Duration of the project?

This project is occurring in stages. I will keep you informed as each stage unfolds
We are still currently working with the Ministry to secure appropriate funding to fix the actual problem.

The scaffolders will be erecting the scaffolding and wrapping the hall over the next 3 weeks.

Expected completion date - Term 3, Monday 26th July

The Ministry of Education has informed us that the hall will be most likely wrapped for at least a year

Harry Potter, Deathly Hallows Book Review

Main characters:

Harry Potter, Hermione Granger, Ronald Weasley, Rubeus Hagrid, Tom Marvolo Riddle/Voldemort, Ginny Weasley, Fleur Delacour, Bill Weasley, Fred Weasley, George Weasley, Neville Longbottom, Draco Malfoy, Aberforth Dumbledore, Nymphadora Tonks, Remus Lupin, Kingsley Shacklebolt,

Title: *Harry Potter and the Deathly Hallows*

Set at: Hogwarts School of Witchcraft and Wizardry

Author: J.K Rowling

Fiction/Non Fiction: Fiction

My review:

The *Deathly Hallows*, *Harry Potter* book was like, the coolest, with the most action and the best ever book by J.K Rowling. It was the 7th, and last, *Harry Potter* book of all (sad). But there are still more books by J.K Rowling. 'Cause, I'm now about to read *The Tales Of Beedle The Bard*.

My favorite parts:

My first favorite part was the chapter: *The will of Albus Dumbledore*. That chapter started with Harry's birthday when the *Minister of magic: Rufus Scrimgeour* comes to where Harry is (His best mates house called *The Burrow*) to tell Harry, Hermione and Ron what they now own from Dumbledore's will.

My second favorite part was the chapter: *The Muggle-born registration commission* where Harry, Hermione, and Ron drink Polyjuice potion and turn into three Ministry of magic workers to go and thief back a locket in which Voldemort turned into a Horcruxes. Then they stun the previous owner (Dolores Umbridge) before stealing it and telling the innocent people of the Muggle-born registration commission to flee into hiding for their own greater good.

My last favorite part was the end story (NOT a chapter) called *Nineteen years later* Where Harry is now 36 years old and has his own children and sends them off to Hogwarts School of Witchcraft and Wizardry.

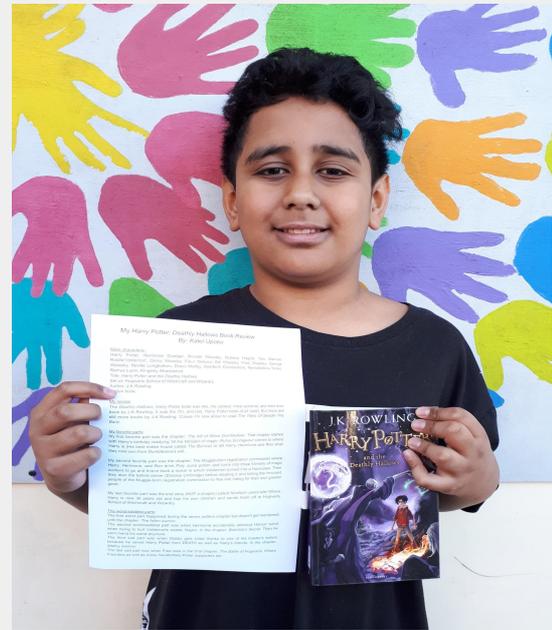

The worst/saddest parts:

The first worst part happened during the seven *potter's chapter* but doesn't get mentioned until the chapter: *The fallen warrior*.

The second worst/saddest part was when Hermione accidentally destroys Harry's wand when trying to hurt Voldemort's snake: Nagini. In the chapter: *Bathilda's Secret*. Then he can't mend his wand anymore.

The third sad part was when Dobby gets killed thanks to one of his master's sisters because he saved Harry Potter from DEATH as well as Harry's friends. In the chapter: *Malfoy manor*.

The last sad part was when Fred died in the 31st chapter: *The Battle of Hogwarts*. Where Fred dies as well as many friends/Harry Potter supporters die.

BiteLab kindly offered warm hangi for lunch

BiteLab kindly offered a hangi for our school lunch on Friday 2nd July to support our learning and celebration of Matariki.

We received four large packs per ohu, with sporks and biodegradable bowls

1. Kumara and potato
2. Pork and chicken (chicken kept separate so halal kids won't have pork touching it)
3. Cabbage and stuffing
4. Steam pudding and custard

It was also an opportunity for us all to trial the option of providing a hot lunch for our tamariki. We will be seeking feedback from our people, students and adults who are integral in getting the hot lunch to our tamariki and then we will share this information with BiteLab.

Thursday 8th July - Class Photos

Unfortunately, the photographer was unwell last week and therefore we didn't have the class photos taken. So, we will try again on Thursday 8th July.

We have had a wonderful Term 2. I am so grateful and want to thank all our tamariki and their whānau for the enthusiasm and commitment you are putting into education. You turned up for Cross Country, Grandparents' Day, Literacy Workshops and Student Led Conferences. Your presence means a lot to us. I am really impressed with you all.

Kia manawanui, kia manaaki, kia haumaru!
