Manaakitanga

Make a list of 10 random acts of kindness you can do for others at home, e.g. opening the door for someone, clearing the table, give a compliment about their personality, give a compliment about how they look today. See if you can tick all 10 off this week.

My family knows...

My family knows where we are from.

Do you know your pepeha or Whakapapa (genealogy)? Talk to your whānau about this, contact the wider family through messages or calls (if possible). Ask questions to learn the stories and history of your whānau tree.

Ako:

Cooking or Baking!- Create a new recipe using some ingredients you have at home, or just get out a cookbook and have a go! Make sure to ask Mum, Dad or whoever you need to first.

Ngātahi

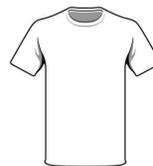

Part of **ngātahi** is to encourage and include everyone. We can do this through competitions too.

Select an activity that you can time you or your whānau doing, e.g. running around the house, solving a Rubik's cube, building a puzzle. Can you do it the fastest?

Remember to cheer your whānau on when it's their turn.

STEM Challenge

Design a new shoe, jersey for your favourite sports team, clothing line (T-Shirts, hoodies, pants, hats etc.) Talk to your whānau about what they would like to see, and think of a point of difference (What makes your product different or unique from others out there?)

Aumangea

Write a skit/sketch!- Are you a future Shortland Street star? Aspirations of Hollywood or Broadway? Put that pen to paper and begin writing the next great show/skit/episode!! Show **aumangea** by getting your whānau together as your audience and performing it for them.

Karakia

Practice our school karakia while you're at home. If you know it already, you could teach it to someone at home.

Karakia Timatanga (Kura)

He honore, he kororia,
ki te atua, manaakitia matou i
tenei wahi.
Tuwheratia o matou manawa,
ki nga ahuatanga hou,
kia awahi ai, tatou katoa,
kia whakarite,
me to aroha.
