This term we are teaching - 'Keeping Ourselves Safe'

Dear Whānau,

Over the first few weeks of Term 2 we will be teaching the personal safety programme Keeping Ourselves Safe. Keeping Ourselves Safe has been designed to give students the skills to cope in situations involving abuse. It has three overall aims:

1. to develop and strengthen children's skills to keep themselves safe with other people, both online and face to face
2. to support and encourage abused children to get help from caring adults
3. to make teachers and parents and caregivers more aware of the need to keep children safe from abuse by adults or other children.

Keeping Ourselves Safe will be taught by your child's teacher, with support from the local Police School Community Officer as required.

To be successful, Keeping Ourselves Safe needs your help and support. Your child may have home activities to work on with you. It is important that you participate as much as possible and talk to your child about what they have been learning. This will reinforce the messages the school is giving, and help your child to use his or her new skills with confidence.

We greatly appreciate whānau support teaching this programme. A hui for parents, caregivers, whānau will be held as follows...

Date: Monday 9th May

Time: 2.00pm

Venue: Deanwell School in Ruma Ako Pakeke

Please contact the school if you would like any more information about the programme or about child abuse
