Term 2 Ends

Kia ora Whānau,

We want to thank you all for your patience and care during the morning drop off and afternoon pick up.

The rainy weather certainly makes it a little bit more challenging. Please pop some spare clothes in to your child's bag if your child is walking to school, just in case they get wet.

Just a gentle reminder that the gates close at 8.45am. Please try and get your child / children to school on time so they have a great start to their learning day.

**8:45 am Learning Starts**
