FAQs about PhotoLife's Online Ordering System

1. *When will my child's photos be ready to view Online?*

As soon as you receive your Photo Keycode you can go online and view your child's photographs. Class Group, Portraits, Sports Teams and Cultural Groups (if photographed) will be added into the Photo Keycode over the school year.

2. *Can anyone else see my child's photo Online?*

In order to view your child's photos you have to have the unique Photo Keycode. Without this code no one else can see your child's photos.

3. *How can I make sure I get the FREE DELIVERY offer?*

PhotoLife gives a "free delivery" period of approximately 3 weeks from the date the Photo Keys are dispatched to the School. It is best to go online straight away and place your order.

The Expiry Date of the "free delivery" period for your child's school is clearly shown on the website and automatically expires when that date is reached.

4. *What happens once the "free delivery" period expires?*

All of the orders placed before the expiry will be bulk printed and then dispatched to the school for your child to bring home.

If you missed getting your order in before the expiry date then your order will be dispatched to the address typed in by the person placing the order. A \$6.00 Postage & Packing charge is automatically applied.
