You all made our whānau in the park EPIC!

It was so heartwarming to stand out the front of the school and welcome all our whānau into our Kura.

I loved seeing

- all the whānau I already know well and see each day
- whānau who I have never met before
- all the siblings, both younger and older, and
- all the cousins, aunties, uncles and grandparents.

The energy of all our people having fun at school, mixing and mingling with each other and enjoying each others company reminded me of just how lucky we are at Deanwell School. You all made our evening so special.
