# Strike: Thursday 16th March

School will be closed.

*Our tamariki need a quality education.*

*We need to attract and retain educators by ensuring that teaching is a valued and attractive profession.*

*Educators across New Zealand have considered at length offers from the government to settle our respective collective agreements.*

*The offers did not meet our expectations, nor make sufficient steps towards the changes we need for our children to succeed.*

*We felt that this was the only way the government would listen and recognise that when they support our children to learn and succeed, we are supporting whānau and communities to thrive.*

*We look forward to another great year in 2023 – and together with your support, building the case for better investment in our tamariki.*
