We want to thank our community for looking after our front garden. It has been an absolute pleasure seeing how much joy and interest we have all had watching the bulbs grow and flower.

Matua Simon, our caretaker has created a seat for us to sit on.

As you all know the front of our school can get quite congested.

So, our after school procedure is;

- All students are to go directly home.
  - No going to the dairy
  - No going to a friends house
  - No going to a park to play
- All students with a scooter or bike must walk them past all the people.
- All students who get picked up must sit down on the new seat and wait quietly.
- All students must be picked up no later than **3.15 pm**.
- School office closes at 3.30 pm
