

Tuesday 21st November, 2023

## Student Led Conferences

Wednesday 6th December, 2023: 3.30pm - 7.30pm  
Thursday 7th December, 2023: 3.30pm - 5.30pm

**Please book a conference on the School App.**

### School App

You will get sent a notification once interview slots are available for booking on the school app. If you do not have the school app a hard copy of the booking form will be sent home.

If you have the school app you will be able to access your child/children's information, book Student Led Conference interviews, read newsletters and send through absentee notifications.

To whānau who have not logged in yet, you will receive an email which will have instructions on how to install the app including user login information if you haven't already done so.

Please note the email link expires after 1 week.

In the meantime please go to your app store and download the etap '@school Mobile' app.

We would like all whānau to attend the Student Led Conferences (SLC).

**\$50 New World Vouchers**  
to give away for each classroom

For whānau that have more than one child you will have multiple opportunities to win.

All you have to do is attend a SLC, write your name down and go into the draw.

Each teacher will bring all their names to Kylie Taplin and I, (Pam Quirke) and we will draw out a name.

All winners will be announced in the newsletter in Week 10, Monday 11th December.

If you are a winner you can then come to the school office to collect your voucher.

## Deanwell Enrolment Scheme

### Clarification

**If your child /children are 'Out of Zone' BUT are already enrolled in our school then they are welcome to stay at Deanwell until the end of Year 6.**

**We think your child /children are amazing and we want to keep them all.**
