Whānau can you help us?

Managing staff coverage is increasingly challenging with sick leave, discretionary leave, and tangihanga leave.

We strongly prefer not to split classes or ask students to stay home, as we strive to provide a stable learning environment for our tamariki.

To help with this, we're reaching out to our whānau - if you know of any talented teachers who would be a great fit at Deanwell School, whether they can work one day a week or more, we'd love to hear from them.

We are committed to having only the best teachers working and learning with our tamariki.

If you have someone in mind, please ask them to email Pam Quirke.
