Harakeke Raranga

Kārearea Tahī

"I loved learning about the ways you can use harakeke. I liked trying on the cream and doing the linseed science experiment. I had never used a mortar and pestle before." - Jahleah, Year 6

"It was really fun because I liked weaving. My favourite thing to weave was the putiputi (flower) and I loved weaving a bracelet. Thank you Rereata." - Sereana, Year 5

"I liked weaving ika and putiputi. It was cool spending a whole day in the hall. I like Rereata, she has a lot of energy and is helpful." - Fatima, Year 5

We are really proud of what we have made. Thank you Rereata and Matua Matt for helping us.
