Learning conversations

We warmly invite whānau and/or friends to be part of these special conversations about your child's learning.

Your presence truly means a lot. It helps your tamaiti feel supported, valued, and proud of their progress.

Let's work together to achieve 100% whānau participation.

HEALTH CONSULTATION 2025

School Boards are required to engage with the community on their Health Curriculum. This engagement with whānau will support the school in reviewing their current Health Curriculum based on the needs of students.

The results will help us plan what we teach our students.

You will be sent a link to complete a google form survey via email/HERO App

There are six sections. For each section please tick whether you feel it is **very important**, **important** or **not important** to you for your child/children to learn about at Deanwell School.

We appreciate you taking the time to complete this form.
