Furniture & Equipment

We have surplus furniture and equipment available for our community to take. These items will be placed on the pathway by the caretaker's sheds, with more added over the coming weeks as we clear out school spaces.

At the end of the school year, we will also have many desks to give away due to new furniture purchases.

Please note: you are responsible for removing any items you take, and everything is offered on a first-come, first-served basis.

Learning Conversations

What is a Learning Conversation?

1. A learning conversation is a 20 -minute meeting between whānau and the classroom teacher to discuss your child's learning progress and achievement.
2. Whānau can choose whether or not to have their child present.
3. Each conversation will be one-on-one with only one whānau at a time.
4. The hui will take place in the classroom or another suitable space, depending on availability.

BOOK a Learning Conversation

1. Whānau will receive an email and notification on your HERO app.

You will receive this email this week. Please look out for it.

2. Whānau can view and manage their own bookings.
3. If a booking time does not suit please contact the classroom teacher.
4. We suggest that whānau with more than one child may want to choose the after school/evening options so you can move from one classroom to the next.
5. We ask whānau to help us with these bookings. If you can come during the day please do so, leaving the evening session for whānau that cannot come during the day.

Let's

We really value the voice of our whānau and greatly appreciate the time you dedicate to your child's success at school.
