Student Placements for 2026

Tuesday 16 December 2025

We will notify tamariki and their whānau of 2026 class placements, including their teachers, via the HERO app.

Please remember that at Deanwell, all classrooms have two teachers.

Wednesday 4 February 2026

Each classroom teacher will email the whānau of the students in their class. This email will include a brief introduction from the teacher and information about the physical classroom location.

To ensure you receive this communication, please check that we have your correct email address on file.

Dental Therapists

Our visiting dental therapists and their mobile clinic are currently on site.

They are prioritising Year 6 students for the remainder of the year to ensure they are seen before transitioning to Intermediate or College.

The mobile dental clinic will remain on our school grounds throughout the holidays. We appreciate your support in keeping an eye on it to ensure it is safe.

All students will have their routine dental checks completed next year.
