

Health Update

We are currently experiencing a wave of illness affecting many of our students, staff, and whānau. Recovery is taking some people two to three weeks.

As we work through these challenging staffing times, our goal is to keep our school open. If we find ourselves unable to fully staff a classroom, we will respond in one of two ways:

- **Splitting the class** across other rooms where feasible.
- Requesting students to **stay home** if possible.

In the event that we need to ask students to stay home, **a special notice** will be emailed directly to affected whānau, asking if you are able to keep your child/children home until the teacher returns

Please do not send your child or children to school if they are unwell.

We sincerely thank our whānau for your understanding.

FOR THE DEANWELL SCHOOL

MUSICAL

This notice will be coming home this week as a paper version for you to put on the fridge
