

SUNSMART REMINDER

Sunny weather is here!

As we move into the warmer months, the sun's UV rays become much stronger, making sun protection a priority for all our students. Please help us keep your tamariki safe and comfortable while being outdoors by keeping the following in mind:

- **Full-Brimmed Sun Hats:**

All children are required to wear a full-brimmed sun hat during outdoor activities in Terms 1 and 4. Please check that your child has a named hat packed in their bag each day. Alternatively, parents are welcome to leave a named hat at school, teachers have hanging hat pockets available in their classrooms for safe storage.

No Hat, No Play: Please note that students who do not have a hat will not be allowed out to play on the field and will need to stay in designated shaded areas, covered walkways, or the library.

- **Sunscreen:**

We provide general sunscreen at school for daily reapplication. However, if your child has sensitive skin or requires a specific brand, please pack a named bottle of their personal sunscreen in their bag.

**Thank you for your support in keeping our school
community SunSmart!**

REMINDER: LABOUR DAY

Monday 26th October - NO SCHOOL

Deanwell School Students ONLY

Come & Join our

Halloween

Disco
